§ 233.28 Monthly reporting.

(a) State plans specifying retrospective budgeting shall require that recipients with earned income, other than income from self-employment, report that income to the agency monthly. The State may require recipients with unearned income, no income, or income from self-employment to report monthly. The agency shall provide a form for this purpose, which:

(1) Is written in clear simple language;

(2) Specifies the date by which the agency must receive the form and the consequences of a late or incomplete form, including whether the agency will delay or withhold payment if the form is not returned by the specified date;

(3) Identifies an individual or agency unit the recipient should contact to receive prompt answers to questions about information requested on the form, and provides a telephone number for this purpose;

(4) Includes a statement, to be signed by the recipient, that he or she understands that the information he or she provides may result in changes in assistance, including reduction or termination;

(5) Advises the recipient if supplemental payments are available and the proper procedures for initiating a request; and

(6) Advises the recipient of his or her right to a fair hearing on any decrease or termination of assistance or denial of a supplemental payment.

(b) The agency shall specify the date by which it must receive the monthly

report. This date shall be at least 5 days from the end of the budget month and shall also allow the recipient at least 5 days to complete the report.

(c) The agency may consider a monthly report incomplete only if it is unsigned or omits information necessary to determine eligibility or compute the payment amount.

(d) The agency shall provide a stamped, self-addressed envelope for returning the monthly report.

(e) The agency shall make special provisions for persons who are illiterate or have other handicaps so that they cannot complete a monthly report form.

§ 233.29 How monthly reports are treated and what notices are required.

(a) *What happens if a completed monthly report is received on time.* When the agency receives a completed monthly report by the date specified in § 233.28 it shall process the payment. The agency shall notify the recipient of any changes from the prior payment and the basis for its determinations. This notice must meet the requirements of § 205.10(a)(4)(i)(B) of this chapter on adequate notice if the payment is being reduced or assistance is being terminated. This notice must be received by the recipient no later than his or her resulting payment or in lieu of the payment.

(b) *What happens if the completed monthly report is received before the extension deadline.* (1) If the completed monthly report is not received by the date specified in § 233.28, the agency shall send a notice to the recipient. This notice shall inform him or her that the monthly report is overdue or is not complete and that he or she has at least 10 additional days to file. It must inform the recipient that termination may result if that is the agency's policy, if the report is not filed within the extension period. This notice must reach the recipient at least 10 days before the expected payment. However, in States in which the date specified in § 233.28 is within 10 days of the expected payment date, the notice must reach the recipient on or before the expected payment date.

(2) When the report is received within the extension period, the agency may delay payment to the recipient, as follows:

(i) In a State that pays within 25 days of the budget month the payment may be delayed 10 days;

(ii) In a State that pays within 25 to 45 days of the budget month, the payment may not be delayed beyond the 45th day.

(c) *What happens if a monthly report is not received by the end of the extension period.* An agency may terminate assistance if it has not received a report or has received an incomplete report, and the 10 day extension period has expired. If the State decides to terminate assistance, it must send the recipient a notice which meets the requirements of § 205.10(a)(4)(i)(B) on adequate notice.

(d) *How a recipient may delay an adverse action based on a monthly report.* If a recipient's assistance is reduced or terminated based on information in the monthly report, and he or she requests a fair hearing within 10 days, the assistance payment shall be reinstated immediately at the previous month's level pending the hearing decision. The payment shall be made effective from the date assistance was reduced or terminated.

§ 233.31 Budgeting methods for AFDC.

(a) *Requirements for State plans.* A State plan for AFDC shall specify that all factors of eligibility shall be determined prospectively and the amount of the assistance for any month for all assistance units required to file a monthly report for the month designated as the budget month under the State's retrospective budgeting procedures shall be determined using retrospective budgeting as provided in §§ 233.31-233.37 except as provided in § 233.34. The State plan shall specify whether the State uses prospective or retrospective budgeting to determine the amount of the assistance payments for recipients not required to report monthly. Budgeting methods for OAA, AB, APTD, and AABD are described in §§ 233.21-233.29.

(b) *Definitions.* The following definitions apply to §§ 233.31 through 233.37:

(1) *Prospective budgeting* means that the agency shall determine eligibility

(and compute the amount of assistance for the first one or two months) based on its best estimate of income and circumstances which will exist in that month. This estimate shall be based on the agency's reasonable expectation and knowledge of current, past or future circumstances.

(2) *Retrospective budgeting* means that the agency shall compute the amount of assistance for a payment month based on actual income or circumstances which existed in a previous month, the "budget month."

(3) *Budget month* means the fiscal or calendar month from which the agency shall use income or circumstances of the family to compute the amount of assistance.

(4) *Payment month* means the fiscal or calendar month for which an agency shall pay assistance. Payment is based upon income or circumstances in the budget month. In prospective budgeting, the budget month and the payment month are the same. In retrospective budgeting, the payment month follows the budget month.

(5) *Recent work history* means the individual received earned income in any one of the two months prior to the budget month.

§ 233.32 Payment and budget months (AFDC).

A State shall specify in its plan for AFDC the time period covered by the payment (payment month) and the time period used to determine that payment (budget month) and whether it adopts (a) a one-month or two-month retrospective system; and (b) a one-month or two-month prospective system for the initial payment months. If a State elects to have a two-month retrospective system it must also elect a two-month prospective system.
